

**DEPARTMENT OF ENERGY AND ENVIRONMENT  
NOTICE OF FUNDING AVAILABILITY**

**DC Resiliency Hub Technology Assistance Grant**

The Department of Energy and Environment (the Department) seeks to minimize the impact of power outages on the operations of community resilience hubs by encouraging the installation of solar and battery energy storage systems (BESS). The funds will be awarded to a resilience hub that provides essential services, such as medication storage, cell phone charging, and other community services during power disruptions to low- to moderate-income residents in Ward 7. The amount available for the project is approximately \$540,000.
